RE: MUR 4648

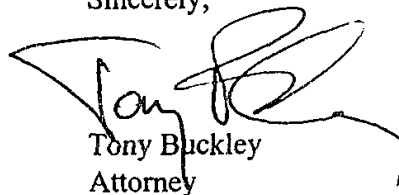

Dear Mr. Bramwell:

On December 22, 1997, you were notified that the Federal Election Commission ("Commission") had found that there is reason to believe you violated 2 U.S.C. § 432(h)(1), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act"). At that time, the Commission provided you with a copy of its procedures in matters such as these, and invited you to submit any factual or legal materials that you believed are relevant to the Commission's consideration of this matter. Further, the Commission asked if you were interested in pursuing pre-probable cause conciliation.

As of this date, the Commission has received no response from you. Accordingly, this Office now plans to proceed to the next stage of the enforcement process.

Should you have any questions, please contact me at (202) 694-1650.

Sincerely,

A handwritten signature in black ink, appearing to read "Tony Buckley".
